

## How to Build a Corn Hole Game

### Cutting List (By Board)

- Sides (glued up) - 2 pcs. - 10 ½" × 48":  
a track saw was used to cut the 10° angle.
- Front - 1 pc. - 4" × 24"
- Back (glued up) - 1 pc. - 12" × 24"
- Top (glued up) - 48" × 24"
- Side Braces - 1" x 1" x 42"
- Back and Front Braces - 1" x 1" x 18"

You need a 10° cut on back and front edges of the top, as well as the leading edge of the back panel and the trailing edge of the front panel.
